

- 1)Klove serves the midland community by provinding us a station that we are comfortable allowing our children to listen to.
- 2)If we were to lose Klove, Our local community would lose the option of listening to contemporary christian music.
- 3)Klove does provide a service to the community by providing a station that you do not have to worry about the content of the music, programming, or commercials(since the don't have any) and that is good for the community
